4. Would you clarify you are referring to the City's contract when you say you will not accept Proposals with alternate terms & conditions on page L-4/L.8.1? **Answer: Yes, this section refers to the City's contract.**
5. Would it be acceptable for us to include a web address that the reader could visit on their own? **Answer: Yes, if the web address is provided in order to provide additional information and is not a substitute for the response to what is being requested in the RFP.**
